

About ILM

The Institute of Leadership & Management (ILM) is the UK's largest management body, combining industry-leading qualifications and specialist member services.

ILM is founded on the principle that skilled managers and leaders hold the key to creating productive workforces that deliver organisational and economic success. Our qualifications and membership services combine to drive up the standards of leadership and management and improve individual and team performance.

Last year 90,000 people enhanced their leadership and management skills with an ILM qualification, while over 30,000 ambitious management professionals secured increased professional recognition and support through ILM membership.

ILM formed in November 2001 through the merger of the Institute of Supervision and Management (ISM) and NEBS Management (National Examining Board for Supervision & Management).
